

Montana Tobacco Use Prevention Program
reACT Against Corporate Tobacco
 2008-2009 Mini-Grant Programs

	Grant Title	
	Coalition Development	Innovative Projects and Tobacco Days of Action
Purpose of Grant	Encourages the development and sustainability of youth coalitions against commercial/corporate tobacco. Funding assists with costs associated with recruitment, awareness activities, and providing resources to coalitions pertinent to education in tobacco use and being tobacco-free.	A flexible grant which provides communities the opportunity to request funds throughout the fiscal year due to events which occur outside of or in addition to the Tobacco Days of Action. Tobacco Days of Action supports national initiatives taken on by youth coalitions, primarily Kick Butts Day and Through with Chew Week.
Maximum Grant: <i>(contingent on availability of funds)</i>	\$2,500 to \$3,000 per grant period	\$1000 per grant period (IP and TDA combined application)
Grant Cycles	August 20 - May 29	September 3- May 29 Ongoing
